## WAVEDESIGN BY WISA

Nowadays the bathroom is worth seeing. The last decades the bathroom has changed from practical to stylistically designed. The very extensive and complete collection of bathroom furniture of Wavedesign is in reach for everyone.

## QUALITY

High quality with Wavedesign by Wisa. With more than 150 years of history in flushing technology, Wisa has grown from producer of cast iron cisterns to market leader in the field of sanitary flushing technology. With bathroom furniture, baths, shower trays and whirlpool systems we offer an extensive product range for the complete bathroom.

## DURABILITY

To assurance you that you can enjoy your bathroom for a long

time, we choose of course only the best available materials. Which applies to both raw materials as applied parts. For every euro spent you will get the best possible quality, to ensure your bathroom will last for a long time.

## SPACE FOR PEACE OF MIND

Our baths, shower trays and whirlpool systems bring comfort in your bathroom, the furniture ensures order and peace. Soap, towels and brushes are neatly stored in a drawer or cabinet. Complete your bathroom with Wavedesign furniture.

## DESIGN

Today's bathroom isn't complete without well-designed furniture. As a leading producer of sanitary ware we composed a range of furniture that suits every taste or wish. From timeless to modern, with a high-gloss finish to natural

materials. Colors, special decors and design perfectly fits current trends. Of course we will update the range regularly to ensure the most up to date design is available for you.

## RANGE

The wide range bathroom furniture is made up of various series which are in line with modern, classic, rural or timeless living styles. Standing or floating cabinets, different sorts of drawers with or without handles. Or would you rather opt for a push-pull system? Various possibilities of furniture are available which can of course be combined with a matching column cabinet, washbasins or top plates, mirrors or mirror cabinets and of course lighting. Everything is possible.

# Wavedesign bathroom furniture

## General information

Hereby you will find the Wavedesign brochure which presents its collection of bathroom and toilet furniture. This publication has been compiled with care, but printing and typing errors are reserved. Prices, technical characteristics and dimensions can be changed by us without notifying you in advance.

All our agreements are subject to our general terms and conditions of sale and delivery, which were filed on May 13, 2020 at the registry of the court of Gelderland, location Arnhem, under number 24/2020. Wisa B.V. Trade register 09050599 Arnhem The Netherlands.

### Warranty:

To guarantee the quality of your bathroom furniture, Wavedesign gives you a 2-year warranty on furniture cabinets, furniture parts, washbasin tops, mirror cabinets and mirrors and a 1-year warranty on lighting fixtures and accessories.

### Warranty conditions:

Before placing the furniture, check for any defects or production errors. If defects or production errors are found, we request you to report these immediately to your supplier. Mounting is accepting. Ensure that aeration and de-aeration are functioning properly. Sufficient (mechanical) ventilation is essential for the life of your furniture, mirror and / or accessory. Never leave moist products on or in the furniture. Never use abrasives or aggressive cleaning agents to clean the furniture. Do not place the furniture in the immediate surroundings of a bath or shower without a partition wall. The furniture should be mounted splash-free. Always make sure electricity connected is done by a certified electrician. Use only acid-free sealant for assembly and finishing. To prevent damage to the counter top, the water temperature should never exceed 60 ° C. The warranty period starts on the day of delivery.

Costs arising from the assessments (solicited or unsolicited) of a complaint or service report will be charged by the supplier if it appears that these are not due to a production and / or material defect. If parts are supplied under warranty, all additional costs such as assembly, labor and tiling etc. will not be paid by us. Decor, color and shade deviations are not covered by the right to complain.

### Prices:

The sales prices mentioned in this brochure are exclusive of VAT. Products whose prices are printed in bold are delivered from stock.
